| <p>4</p> <p>Actions to be reported: Clerk reported from the meeting held on 6th October 2016: Item 5 – Small Grants funding - Clerk has asked Cllr Haigh to assist with this. Item 9 – Pensions - Pension report completed and now circulated. Item 10 RoSPA report – Contacted TVBC for quotation but have had no response. Contacted Vitaplay from Winchester, who were recommended by Stockbridge Parish Council. Arranged an onsite meeting and quotations for the remedial work have been circulated. They also highlighted a couple of issues not shown on the ROSPA report: 1. Timbers on the multi-unit at Bulbery have moved and there are now some finger trap hazards. 2. Noted that the overhanging branches in the WMH play area are very low and have confirmed that the minimum distance should be 1.8m from the ground. Vitaplay provide quarterly inspections which will cover small repairs/cleaning/fixing loose bolts etc and have requested a quotation for this. Quarterly inspections will not replace the required ROSPA Annual inspection. Abbots Ann Fencing have quoted for repair to gate and fence between the cob wall and the village hall. £80.25 + VAT. I have accepted this quote and the work should be completed shortly. They also pointed out that the fence between the hall and the fence by the road, on the left as you come into the car park, is very unstable and suggest it will need 3 x posts and top rail replacing. They will provide a quote for this. Item 13 – Budget has been updated for review. Banking update – in progress to switch bank accounts. Red telephone box – a volunteer has offered to paint the box. Some suggestions have already been received for its future use. Emergency power out packs are now located in the shop. Tender for the Maintenance contract to be added to next agenda. Village action plan has been circulated to be added to next agenda.</p> | <p>Ag item</p> <p>Ag item</p> |

| <p>6</p> <p>Borough and County Councillors Reports The Clerk read Cllr Gibson’s report: 1. The traffic calming at the St John's Crossroads. I believe that the plans were sent to you but I have given a hard copy to Cllr Flood. The proposals are designed to slow the traffic through the crossroads and we will have to see if they are effective. The work will be undertaken very soon. 2. 20 mph trial. The trial in a number of villages is ongoing. I have asked that Abbots Ann be put on the list for the next phase. At the moment, no date has been set for the second phase. I will update you again next month. 3. The traffic monitoring at the Co-op site on the A303 is now functioning fully. The</p> | |
