260801	To receive Chairman’s opening remarks. Councillor Jordan welcomed everyone to the meeting and advised that the meeting is recorded.
260802	To receive and accept apologies for absence. Apologies were RECEIVED and ACCEPTED from Councillor Heather and NOTED from County Councillor Drew and Borough Councillor Hasselmann.
260803	To receive declarations of disclosable pecuniary interests relating to items on this agenda. Councillor Stratford expressed an interest in item 260816.02.
260804	To approve the minutes of the Parish Council Meeting held on Thursday 2nd July. The minutes of the meeting held on Thursday 2nd July were signed as a correct record of the meeting. Proposed by Councillor Jordan, seconded by Councillor Wallis. All members voted unanimously to accept this resolution.
260805	To receive updates already published and any further updates provided. Councillor Howard ran through the action list and provided an overview of the recent Burial Ground audit conducted by himself, Councillor Stratford and the Clerk. Councillor Wallis informed those present that the new goals have been assembled with two old goal posts to be removed. There are some goals in the sheds, plastic 5 a side and full size ones which can be sold / removed. Abbots Ann Players have been given temporary permission to store items in shed. Councillor Mitchell confirmed that the Prostate Awareness Day is confirmed for 26th September, half of the available tests have been booked. The event is being advertised across Parishes. Councillor Jordan updated those present with regards to the following: - The meeting with Test Valley Borough Council re the Community Development Fund (CDF) was very positive. The funding position remains broadly unchanged, with a two-stage bid and a potential funding gap of around £150,000 in the worst-case scenario, including a 10% contingency. - The £150,000 funding currently covers the construction-related costs across RIBA Stages 5–7. - TVBC officers will now discuss requirements with Planning colleagues and cross-check the project against funding criteria. - A significant amount of technical drawing and specification work can be completed in advance, ready for the CLT plan approval, after which CIL and S106 funding can be accessed. - The original design included a 3G/4G pitch between the two football pitches. The possibility of also incorporating cricket facilities was raised, with indicative ECB costs of £9,000–£14,000. Test Valley Borough Council did not rule this out. - The CDF panel is expected to meet at the end of September. Early indications state that the project appears to be within the fund’s expected funding range. Borough Councillor Flood thanked Councillor Jordan for his detailed understanding and efforts.

	Councillor Jordan closed by advising the main issue to address further down the line is project management. The current budget assumes project management costs equivalent to having an architect oversee the process.																												
260806	To receive an update from Abbots Ann Community Land Trust. No update received.																												
260807	To agree the document supporting the Metis Homes / Abbots Ann Community Land Trust planning application.
